

FOOD SERVICE • HUHTAMAKI PAPER PRO® NATURALS™

MOLDED FIBER HINGED CONTAINERS

Paper Pro® Naturals™ molded fiber hinged containers combine functionality with sustainability, offering an eco-friendly alternative to traditional clamshells. Their natural finish and sturdy construction make them suitable for a wide range of meal types, from small sides to large entrées. Designed with operators in mind, they help streamline takeout, delivery, and dine-in service while supporting environmentally conscious business practices.

Key Features:

- Made in the USA with at least 50% recycled content
- BPI Certified Compostable
- Secure snap closures that prevent spills
- Resistant to grease, cuts, and leaks
- Efficiently stackable for storage and transport
