All Purpose Cleaner Concentrate

All Purpose Cleaner suspends the toughest soils and prevents them from redepositing. Formulated without butyl or inorganic phosphates this detergent is safe on most water washable surfaces. Great for mop bucket, spray and wipe, or sponge applications.

Features

- Effective on the toughest soils
- Cleans and deodorizes practically any water washable surface
- Extremely effective in hard water

Directions for Use

Recommended for water washable hard surfaces

1. Dilute (1:64) 2 US oz/US gal of water
2. Apply to surface with sprayer, cloth, or sponge
3. Wipe surface to remove soil

Recommended for use on hard floors

1. Dilute (1:64) 2 US oz/US gal of water
2. Apply directly to floor with mop
3. Pick up excess solution and soil
4. Rinse floor
5. Allow to dry thoroughly
