

SUPPLYWAYS ULTRA LOW ODOR STRIPPER

#SW002009

Technical Specifications	
Color	Green
Fragrance	Lemon
pH	11.0 - 11.4
Warranty	2 years

High Power, Fast Acting, Low Odor, No-Rinse Floor Stripper

This high power high speed floor stripper was developed to penetrate and remove multiple coats of burnished floor finish with a minimum amount of labor. Utilizing the latest in technology, this powerful professional stripper unlocks the chemical bonds of acrylic and urethane fortified floor finishes releasing them from the floor surface and is suitable for use on most floors.

Features

- Covers 400 square feet / gallon
- Quickly strips multiple coats of floor finishes
- Lower pH requires no neutralization or rinsing

Directions for Use

Recommended for removing water-based acrylic and urethane fortified floor finishes from all types of resilient tile and hard surfaces.

1. For light to medium stripping dilute (1:12) 10 US oz/US gal of cold water
For heavy stripping dilute (1:5) 25 US oz/US gal of cold water
2. Sweep floor
3. Apply solution liberally to floor surface with mop
4. Keep surface wet for 3-5 minutes of contact time
5. Agitate with a low speed rotary machine, automatic scrubber, or stripping machine
6. Pick up solution with a wet vac, automatic scrubber or mop
7. Allow floor to dry thoroughly before applying floor finish
8. No rinsing is necessary if surface appears free of dust or residue

Do not use on linoleum, sheet vinyl, rubber tile, or asphalt tile floors.
